Greetings,

I am happy to announce the 15th Annual New England Martial Arts Camp on October 3rd & 4th, 2015.

Our Guest Instructor this year will be Guro Nick Sacoulas. Guro Nick will be teaching Sayoc Kali, a well-known Filipino art that specializes in edged weaponry. This is the first time Sayoc Kali has been taught in RI!

The New England Martial Arts Camp is open to any martial artist regardless of style, system, or affiliation. The purpose of this camp is to bring together martial artists of all styles for a day of training, learning, and brotherhood. The incredible spirit at this camp is felt by all who attend. Each year, no one wants the day to end! The experience of growing in the martial arts while making new friends is indescribable.

Our event will be held at the Derderian Academy of Martial Arts in Johnston, RI. Our previous camps have been great successes and this year will be even better! Participants travel from all over the USA to attend our annual event.

We look forward to seeing you on the weekend of October 3rd!

Yours in Budo,

Raffi A. Derderian Jr.
